NATIONAL CONFERENCE OF WOMEN'S BAR ASSOCIATIONS

We would like to request sponsorship of the National Conference of Women's Bar Associations. NCWBA is a unique organization of 60 women's bar and legal organizations representing more than 35,000 attorneys, judges, and law students. NCWBA advocates for equality, diversity, equity, and inclusion in the legal profession and society. We provide leadership and support, and we exchange best practices through our events, advocacy, and social media. To achieve these important goals, we are honored to work with leading law firms, corporations, and individuals that sponsor NCWBA and its outstanding activities, programs, and initiatives. As you understand this is an endeavor that needs allies and we hope we can add you to this list.

Sponsorship opportunities include sustaining donations to help achieve our overall mission, as well as contributions to help underwrite specific events, such as our **Annual Women's Bar Leadership Summit** – a national forum with programs and events for women attorneys and bar leaders held once a year, which includes cutting-edge programming and mentoring. Additional information about NCWBA and our members, programs, and initiatives can be found at *www.ncwba.org*. In addition to financial donors, the NCWBA also appreciates strategic partners who promote their brand and services to our network and "in-kind sponsors," who graciously provide other important assistance, such as space for our events, program materials, etc. A description of our sponsorship opportunities is enclosed.

The 2027 **Women's Bar Leadership Summit** will be held in New York, New York on October, 8, 2027. The 2027 Summit will feature distinguished speakers, national networking and leadership opportunities, professional development, cutting-edge topics, a Ladder Down program, a best practices seminar, and ways for member organizations and attorneys to utilize the support that the NCWBA provides.

Sponsorship of NCWBA is a great way to demonstrate your commitment to the advancement of women, diversity, and equity. We hope that we can count on your support. If you have questions or need additional information, please do not hesitate to contact me directly or reach out to NCWBA's Administrator, Jill Pokorny at *info@ncwba.org*.

Sincerely,

Alexandra Mitropoulos, VP - Fundraising
